ABOUT ME

I am a Software Engineering student at SLIIT, currently interning at SriLankan Airlines. I am passionate about gaining practical experience to advance my career in software engineering. Beyond academics, I actively contribute to IEEE-related initiatives at SLIIT, serving as a Design Team Member for events like IASpire, Path to Internship'24, and IEEE Techverse Sri Lanka. These experiences have honed my teamwork, design, and organizational skills, complementing my technical expertise.
